Happy & Bright Vision For Children

Let's Nurture A Mind That Feels "The World Is Fun"

Let's Nurture a mind that enjoys everyday life from the heart, beginning with the first social experience.

Happy & Bright Vision For The Gakuin, Gakuen

Let's Nurture A Mind That Feels "Humanity" Is Wonderful

Let's create a field of education that can find and feel a human's innate individuality and potential.

Happy & Bright Vision For Students

Let's Nurture A Mind That Feels The "Work Which Is Useful For Someone Is Wonderful."

Let's nurture the ability to find a satisfying job, as well as an ability which is needed by others, and a "Mind" that can keep going with what one is doing.

Happy & Bright Vision For The Community

Let's Nurture Children Through The Community

Let's create opportunities for people in the community to learn together, and for more people to know about the education we are providing.

Happy & Bright Vision For Japan

Let's Share Our Achievements With Many People

Let's share the results and achievements of our work on with our nationwide colleagues.

Happy & Bright Vision For The World

Let's Send Our Message To The World

Let's be a notable existence in the world and make effort to know the new approaches of the world.
